

# CLEAN HAS NEVER BEEN SO VALUED

Hygiene focus is paramount these days and sanitary conditions are a must.

As the Canadian leader in paper offerings and touchless dispensing solutions, Kruger Products' towel, tissue, napkin, and handcare products provide the right balance of quality and performance and cost effectiveness for business operations.

# MAINTAIN HYGIENIC BUSINESS PRACTICES WITH THE RIGHT PRODUCT SOLUTIONS.

Appearance and attention to detail is everything in the Foodservice industry, and seldom do you get a second chance to correct a bad impression. By choosing Kruger Products, establishments will be giving their customers and employees the cleanliness they expect to see – and the quality they appreciate – first time, every time.

## HYGIENE IMPORTANCE

Practising enhanced protocols helps to reduce microbial and microbiological cross-contamination through use of premium quality paper products, along with touchless dispensing solutions.
