HOW KRUGER PRODUCTS SUPPORTS THE ACCOMMODATION INDUSTRY

CREATE A POSITIVE EXPERIENCE

Using Embassy® and White Swan® products demonstrates a commitment to quality, ensuring guests have a memorable experience.

HYGIENE IMPORTANCE

Kruger Products' bundle of napkins, towels, tissues, wipers, handcare and related touchless dispensers show your guests that you're concerned about their well-being.

COST-IN-USE BENEFITS

High-quality products mean less wasted product, less refill maintenance required and less product needed overall (for example, using one higher quality paper towel instead of three of a lesser quality).

SUSTAINABILITY MATTERS

Strike a chord with environmentally-conscious customers – most Kruger Products' products are FSC® and/or ECOLOGO® certified.
